Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. §§ 1.56 and 1.97-1.98, Applicants hereby make of record the document listed in the attached Form PTO/SB/08a, which may be deemed material to the examination of the above-identified application. In light of an Office Action having been mailed in the above-mentioned application, Applicants now supplement the Information Disclosure Statement filed on October 30, 2007 with a proper 37 C.F.R. § 1.97(e)(1) statement below.

Also, since the present Information Disclosure Statement is being filed before the mailing date of any of a final action under § 1.113, a notice of allowance under § 1.311, or an action that otherwise closes prosecution in the application, and each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent

office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement, no fee under 37 C.F.R. § 1.17(p) is required.

This document was cited in a Search/Examination Report with respect to an International Application related to the Applicants' above-identified U.S. Patent Application. For the Examiner's convenience, a copy of the Search/Examination Report is attached.

The Examiner is requested to consider the listed document in connection with the above-identified application and to return a copy of Form PTO/SB08a to the Applicants with the Examiner's initials in the space provided.

Submission of this Supplemental Information Disclosure Statement does not constitute an admission by the Applicants as to the materiality of the listed document to the application, nor do the Applicants waive any right to challenge the validity of the document as prior art should such action be deemed appropriate.

Respectfully submitted,

Paul H. Nguyen-Ba
